

School Facility Application

General Guidelines

As a service to the community, it is in the interest of Paris Union School District No. 95 to make school facilities available to organizations or individuals of the community where feasible. Such use will not interfere in any way with the regular programs and activities of the school. The use of high school facilities for school purposes will have precedence over all other uses. Facilities will only be used/rented to organizations if there is a current certificate of insurance, hold harmless agreement, and application on file with administration.

Rules and Regulations:

The organization or individual using the facilities is responsible for order and discipline during the use of the facilities. A responsible adult representative shall be present at all times. The organizations or individuals must also have adequate adult supervision to ensure proper care of and use of school facilities. Organizations or individuals using school facilities are expected to adhere to all school policies. Failure to do so could result in cancellation of facility use privileges.

In addition to school policies, the following rules are of particular note:

1. Pay for any damage to school facilities, furniture, or equipment arising out of its use whether such damage was accidental or deliberate. The cost of damages will be based on the repair or replacement cost, the choice of which is at the Board's discretion.
2. Supply adequate supervision to ensure proper care and use of school facilities.
3. No smoking or drinking of alcohol beverages is allowed on school property.
4. Do not move any furniture or equipment without prior approval of the administration.
5. Do not attach, nail, or otherwise affix signs, displays, or materials to school facilities without prior approval.
6. Agree to use appropriate emergency procedures including calling 911 for medical emergencies or calling 911 whenever an AED is used.

Procedures for Scheduling

Application for the use of school facilities should be made to the ~~Building~~ Superintendent's office at least fourteen (14) days before the scheduled event, with allowances made in the case of an emergency. Approval to use school facilities will be made by the Superintendent or Board of Education in keeping with school policies and regulations.

Liability and Insurance

In addition to the completed Facility Use Application, organizations or individuals must carry insurance, and are required to provide a certificate of insurance which names Paris Union School District No. 95 as an additional insured for the period of time that the organization or individual will be using the school's facilities, as well as sign the ~~School's~~ District's Hold Harmless Agreement. All organizations or individuals are responsible for lost, stolen, or broken equipment and damage to the facility.

Pricing and Terms

The Superintendent under any circumstances has the sole authority to deny the use of school facilities in the case of school related functions, or because the rental is not in the best interest of the school or community. All rental fees must be paid prior to the scheduled event date. If any other expenses are incurred they are due 30 days after the date of the event. If for any reason the scheduled event conflicts with any school activity due to oversight, rescheduling, or any other reason any fees paid will be refunded 100%. A pricing sheet is available with the Superintendent.
